Messages From JESUS

The depth of the United Hearts Revelation

January 13, 1999

"I have come – Jesus, the Word born Incarnate. I wish to reveal to you the depth of the United Hearts Revelation. As My Mother's Heart is the Refuge of Holy Love, so My Own Sacred Heart is the Kingdom of Divine Love. Thus, the United Hearts represent both Refuge and Kingdom – security in tribulation and victory over evil. We are united. We share everything. She is always in Me. I am always in Her – spiritually and emotionally."

The goal of all spirituality is to be united with the Eternal Father's Heart

July 3, 2000

"I am your Jesus, born Incarnate. I wish to express this Truth to you concerning the United Hearts Revelation. Our United Hearts – that is My Mother's Immaculate Heart within My Sacred Heart – is embraced by the Divine Will of God, which is the Heart of the Eternal Father. Once the soul begins the spiritual journey through the Chambers of My Heart, he is moving ever closer to the reality of this Divine Will and Eternal Heart. The goal of all spirituality is to be united with the Eternal Father's Heart. It is His Divine Plan for all humanity. It is the reason each one has been created. It is the fulfillment of My Mission on earth."

"Make it known."

The greatest grace that will ever come to the Ministry

October 3, 2000

"The greatest grace that will ever come to the Ministry is the complete and irrefutable United Hearts revelation."

Message From **GOD THE FATHER**

This is why the Revelation of the United Hearts has been given

January 25, 2007

God the Father appears as a large Flame. He says: "I am God the Father. All praise be the Holy Trinity. I am the Eternal Good from Whom all good emanates."

"During these times in which there is a crisis of conscience, you must make known these Messages of Our United Hearts. For this reason, the United Hearts Revelation has been made known during these latter days - that all hearts be united in love to Our United Hearts."

"I will send all the grace - all the angels you need - when you make the effort. I will give you courage and perseverance. I will give you circumstances and time in which to evangelize, for I am All Good. I Am Who Am."

This is why the Revelation of the United Hearts has been given

February 23, 2007

I (Maureen) see a large Flame form around the tabernacle and then advance towards me. I understand that It is the Heart of God the Father. He says: "Let us give praise now to Jesus, My Son, ever present in the tabernacles of the world."

"I tell you, while there is much talk about living in My Divine Will, most do not understand how to accomplish this goal. This is why the Revelation of the United Hearts has been given to the world. The Chambers of the United Hearts are a step-by-step journey into My Divine Will and the Flame of My Heart. You cannot jump from the ground to the top of the ladder without climbing the ladder. You cannot jump into My Divine Will by saying you are there without surrendering to the spiritual journey first. Today there is too much talk about the goal and not enough talk about how to attain it."

"The spiritual journey through the United Hearts must become familiar to all."

Message From **GOD THE FATHER**

Make this Revelation known

May 25, 2012

I (Maureen) see a Great Flame. From It, I hear a Voice. "I am the Eternal Father – the Eternal Now. I desire people know Me and love Me, for I am the Source of All Love and All Good. I am He Who creates everything from the smallest grain of sand, to the highest mountain, to man's free will. I am the Source of Mercy that frees man from sin; that allows choices and makes My Will the Umbrella of all creation."

"It is I Who form the Revelation of the United Hearts. It is I Who brought it into the world to bring peace and harmony into the hearts of all and between mankind and God. Do not forsake My Purpose. Make this Revelation known as it is given to the world by the Source of All Truth. Do not be dissuaded from belief by who believes or disbelieves. Those are earthly standards. Believe because I ask it of you. Do not continue to search out reasons to disbelieve. You are answerable to the Eternal Now. I do not need to search your heart to know you. I formed your heart."

"Believe now. Be consecrated to Our United Hearts. Spread this devotion."

The United Hearts will lead the way into the New Jerusalem

June 11, 2018

"I am the Father of all Ages. For all eternity, I have known the United Hearts Revelation would come to light in this generation. The United Hearts will lead the way into the New Jerusalem. I have seen this generation being called to return to obedience to My Commandments. I have known that My Commandments would be disrespected."

"I can only lend support to those who pursue a deeper relationship with Me."

ST.
JOSEPH'S
VESTIBULE

Entryway to the
First Chamber

THE VESTIBULE

ENTRYWAY TO THE FIRST CHAMBER

WHAT IS IT

The Vestibule of Grace and Entryway to the First Chamber of the United Hearts is Truth Itself and is replete with every grace each soul needs towards his personal conversion. St. Joseph is always there present – calling and inviting souls into the Light of Truth and into the United Hearts. It is their invitation to conversion of heart and a place of decision where the soul decides to either pass through the Doorway of God's Mercy or return to the world.

WHO CAN ENTER

St. Joseph invites every soul – all sinners and all nations – into this Vestibule of Truth. The souls most distant from this Entryway are the ones most steeped in the compromise of Truth.

HOW DO YOU ENTER

The moment a soul hears the call to conversion of heart, he stands at the threshold of the First Chamber – Salvation – Holy Love – Immaculate Heart of Mary. It remains an act of free will to choose to enter this Vestibule of Grace. The conviction of heart in the Truth is vital to every conversion.

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

St. Joseph welcomes each soul with love, patience and understanding. The soul is convicted of the Truth of his iniquities and is washed in the humility of his own errors. The soul is so enamored with God's Divine Will that his only peace is to pursue a deeper relationship with God – this is what leads him through the Doorway of God's Mercy. The grace of conversion is given to the soul, but the

THE VESTIBULE

ENTRYWAY TO THE FIRST CHAMBER

decision is weighed on the scale of free will. St. Joseph gently urges each soul into the Flame of Love – the Immaculate Heart of Mary – the First Chamber – to be purged of their greatest iniquities. St. Joseph gives the soul the courage to desire personal holiness which is God's Will for each soul. St. Joseph, as a faithful and fierce protector, encourages souls to step into the First Chamber where their spiritual journey begins and continues.

ENCOURAGEMENTS

St. Joseph never grows weary of welcoming the sinner – the soul – to his conversion. Every effort is made by Heaven and the holy souls in Purgatory to bring souls through the First Door, for it is that doorway to the First Chamber – Holy Love – that determines their eternal fate. Angels are sent to protect and guide every precious soul once he enters the Vestibule of Grace. The soul who surrenders most completely is given the greatest graces to persevere in self-surrender. Do not be discouraged in any effort towards personal holiness – some have to enter the Vestibule of Our United Hearts over and over again. There is no certainty in the world because of the unpredictable nature of man's free will. Therefore, let your security be your own spiritual journey through the Chambers of Our United Hearts. Every soul needs to first accept the necessity of the journey to surrender to it, just as Blessed Mother accepted the flight into Egypt – then the grace is given to succeed. Until the soul turns with a contrite heart to the experience St. Joseph invites him to, he will continue to be restless, uncertain and feel unfulfilled.

CONTEMPLATIONS

Please understand what importance the Seal of Discernment * plays in this ongoing conversion process. It is this Seal which assists the soul in defining the Truth. This Entryway or Vestibule into Our United Hearts is the first step in any

THE VESTIBULE ENTRYWAY TO THE FIRST CHAMBER

conversion process. Truth must convict the heart before any change can take place. Therefore, understand that self-complacency is Satan's weapon which he uses to thwart Truth in the heart. No one should be satisfied with where he is spiritually. Once the soul realizes and accepts his errors, he is admitted to the First Chamber of the United Hearts – the Immaculate Heart of Mary. Then, within the Flame of Her Heart, he is purged of his iniquities. Throughout these Sacred Chambers, the soul who seeks to travel deeper must participate in an ongoing conversion. This moment-to-moment conversion is the soul's 'yes' to placing God first in his heart and trampling underfoot disordered self-love. At the end of each day, each soul is called back into the Vestibule of Grace to make a self-examination of conscience. There, they will be able to see what is holding them back from a deeper journey through the Chambers. Then, they will pass, once again, through the Doorway of Jesus' Mercy.

* On March 18, 2013, Maureen, asked Jesus if this Seal can be given to anyone who reads the Messages:

Maureen: "I'm wondering about this Seal you are giving people who come onto the property with sincere hearts. ...if anyone reads the Messages – does that mean they automatically receive the Seal?"

Jesus: *"Only if, for some extenuating circumstance, they cannot make it to the site. It would be a serious problem preventing their journey here. The soul needs to make this determination himself."*

Maureen: *"Tell me again about the Seal and why people should have it."*

Jesus: *"First of all, they should view it as a gift from Me. It is a Spiritual Seal – not visible – but a Seal that helps them discern the state of their own soul, and also discern good from evil in the world. The only requirement is a sincere heart. I told you before that a sincere heart is a heart open to the Truth."*

FIRST CHAMBER

Salvation /
Holy Love /
Immaculate Heart
of Mary

FIRST CHAMBER OF THE UNITED HEARTS

WHAT IS IT

The spiritual journey of a soul begins with this Chamber which is the First Chamber of the Sacred Heart of Jesus, the Immaculate Heart of Jesus' Holy Mother Mary – the Flame of Holy Love, the two great Commandments of Love, and the Gateway to the New Jerusalem. No one can come to Jesus except through Her Heart, which is Holy Love. It is the introduction and key to all the other Chambers which are Divine Love and cannot be bypassed as it is the basis and foundation of all the others. It is the Chamber in which souls through the Flame of Holy Love – the Light of Truth – gain self-knowledge, repentance for sins, are cleansed of iniquities and purged of inordinate desires and conduct. The grace given in the First Chamber strips away falsehood and illuminates the Truth. The treasure of Her Heart is self-knowledge which is the conviction of conscience that opens the doorway to perfection of all the virtues.

WHO CAN ENTER

Jesus calls all people, all nations into the Chambers of His Heart and calls attention, in particular, to this universal call by sounding the trumpet blast universally into the First Chamber. The following souls can enter: ones who respond to the universal call into the Chambers of Jesus' Heart; ones who seek their own salvation and surrender to Holy Love – willing to love God above all else and neighbor as self – following God's Will for salvation; ones who begin their surrender / acceptance to the Divine Will and have confidence and trust in Jesus; ones who recognize their faults and are open to conversion and do not think themselves blameless; and ones who hunger for God and have many areas of self-love still in their heart.

FIRST CHAMBER OF THE UNITED HEARTS

HOW DO YOU ENTER

When the soul uses his free will to surrender to the call to love, he enters the antechamber of Jesus' Heart which is the Immaculate Heart of Mary – Holy Love. By a movement of free will, the soul decides to overcome his weaknesses – to let them be burned away through the Flame of Holy Love. All that is needed is a humble 'yes'.

This simple prayer – the prayer to Mary Protectress of the Faith – the key to the Immaculate Heart of Mary – admits the soul into the First Chamber of our United hearts, which is the Immaculate Heart of Mary.

'O Mary, Protectress of Our Faith, hear our prayer and ask Your Beloved Son to receive our Faith into His Sacred Hands. Ask Him to hide our Faith in His Wounds and protect it from all evil. Amen.'

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

As the soul is drawn into the First Chamber, he feels the Father's embrace begin. When you step into the First Chamber, you are stepping into Pure Love and you will see everything in your own heart which opposes Holy Love and you will be given the grace to love more perfectly. Your most glaring faults are brought to light. Through the Flame of Holy love – the Flame of the Immaculate Heart of Mary – the soul is illuminated to see his soul as it stands before Jesus and it begins to recognize the power and importance of the present moment. The soul is tendered the grace to acknowledge his sins and turn with a repentant heart to Jesus' Mercy. It is Holy Love – that precious First Chamber – that enables the soul to recognize the kindness of God the Father's Provision and put it to use. It is in this Flame of Holy Love the soul is shown what thoughts, words and actions stand in the way of its spiritual progress. The Flame of Holy Love burns away

FIRST CHAMBER OF THE UNITED HEARTS

the soul's most glaring iniquities and gives him the desire to increase in holiness and move forward into the subsequent chambers.

ENCOURAGEMENTS

Herein find your respite from the sorrows of the world. Seek this Chamber where you can clearly define good from evil. This Chamber is the strength you need to pursue a closer relationship with Blessed Mother. She will protect you from the concerns of the world herein. You will be clearly shown good versus evil. You will be less tempted to old weaknesses – you will recognize them and avert them – and can now approach the first door to Divine Love – the Second Chamber. You will be purified and made presentable to Jesus. You will be given every grace and enhancement that you need; every encouragement will be yours even if you go over and over into the First Chamber. If you persevere in grace, faults will be burned away and you will be allowed to pass into the Second Chamber.

CONTEMPLATIONS

The time will come when the First Chamber – the Purifying Flame of Blessed Mother's Heart – will consume the world. In that moment, each one will be given the opportunity to step into the First Chamber and to begin the journey. Pray that all cooperate with this profound grace.

The best preparation for the future is Holy Love in the present moment. The heart, so pre-disposed, faces every difficulty in and through the grace of the Immaculate Heart of Mary. Blessed Mother will not forsake you in any need.

Note: Contemplate the 'HOLY LOVE ALPHABET' given on June 7, 2011 by St. Catherine of Sienna.

SECOND CHAMBER

Holiness

SECOND CHAMBER OF THE UNITED HEARTS

WHAT IS IT

This Second Chamber is holiness. When the soul passes into the Second Chamber he is now entering Divine Love and Jesus' Divine and Majestic Heart – the Flame of His Heart – where the soul pursues holiness.

WHO CAN ENTER

Passing from Holy Love to Divine Love, the soul has been convicted in his conscience and purified of his most glaring faults. The soul that enters is making a sincere effort to live in Holy Love, receiving the anointing of the present moment. That is to say, he is made most aware of the grace offered in the present moment.

HOW DO YOU ENTER

As the soul surrenders more and more to Holy Love in the present moment, it is made more loving under the commandments of love. In other words, it has successfully passed through every part of the purifying Flame of Holy Love in the First Chamber and now moves willingly into the Second Chamber which opens his conscience as to how he uses the present moment. This is where he begins his journey to perfection in Divine Love.

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

Once through this doorway, a great peace comes upon the soul. As souls enter the Second Chamber of Jesus' Divine Heart, He pours into them knowledge of the virtues, an awareness of the depth of each virtue in their own heart and a hunger to increase in virtue. The soul receives a longing for a deepening of the

SECOND CHAMBER OF THE UNITED HEARTS

virtues. The soul is developing a desire for holiness, but is uncertain as to how to attain it. These souls thirst for holiness, thirst to please Jesus and draw closer to Him. To them this thirst seems unquenchable.

It is during the soul's stay in this Chamber that Jesus' grace comes to him, enticing him to a more devout life. After the soul drifts on the sea of calm when he is first admitted to the Second Chamber, he is able to see certain habits or attachments that hinder him from going deeper into Divine Love – Jesus' Heart. The Flame of Divine Love reveals small flaws of character that separate the soul from Jesus. The soul is more aware of the present moment and understands the past must be committed to Jesus' Mercy – the future to His Provision. He opens himself up to the grace of the present moment.

The soul receives much illumination and interior changes take place within the heart. Waves of emotion toss him to and fro. At one moment the soul experiences dryness. The next moment he receives consolation. He begins to understand that his will is directed by what he holds in his heart. The Soul begins to equate Holy and Divine Love with the Divine Will of God and is becoming more aware of the Eternal Father's Will for them and most accepting of His Will. He aspires to personal holiness by greater surrender to God's Will,

As the soul seeks to be holy in the present moment, he is even more aware of the slightest fault or iniquity, and strives to overcome them. Little flaws in love come to light. Within the soul the present moment is purified through a commitment to Divine Love.

The soul develops a private relationship with Jesus and is able to go deeper into prayer. He is more aware of the grace of the present moment and is able to

SECOND CHAMBER OF THE UNITED HEARTS

recline in Jesus' Heart and find a respite herein. The soul loves God and neighbor even more and seeks holiness. He begins to distinguish between his wants and his needs and has few wants. He surrenders his health, appearance and comforts. He does not take joy in so-called worldly pleasures anymore – his joy is in Jesus.

ENCOURAGEMENTS

When the soul enters the Second Chamber – holiness in the present moment – the purification he experienced in the First Chamber abides with him and continues. If he perseveres in overcoming his small attachments and inordinate habits, he will be ready to move into the Third Chamber. The Second Chamber opens the way to the Third, Fourth and Fifth Chambers of Jesus' Heart.

CONTEMPLATIONS

As the soul decides to pursue holiness, he is made more aware of the depth or lack of depth of the virtues in his heart. As every virtue proceeds from love and humility, the depth of love and humility in the heart dictates the depth of every virtue.

To enter through the 'Door' of each Chamber, requires greater surrender, commitment, compliance and submission to the Divine Will. In doing so, the soul surrenders more to virtue which allows the virtue to become more a part of him. As the virtues deepen, the soul moves closer to the next Chamber. So you see, each Door is the Divine Will, but entrance to Each Chamber requires greater surrender and commitment.

THIRD CHAMBER

Perfection
in Virtue

THIRD CHAMBER OF THE UNITED HEARTS

WHAT IS IT

This is the Chamber from which Jesus chooses His saints, His martyrs of love; the one in which His martyrs of love are formed. It is perfection of the virtues.

WHO CAN ENTER

The soul, rooted in Holy and Divine Love. As the soul becomes aware of the POWER of the present moment, Jesus draws him into the Third Chamber of His Heart which is perfection in virtue.

HOW DO YOU ENTER

As the soul surrenders more and more to the Divine Will in the present moment, he prepares himself for entrance into the Third Chamber. When the soul's spiritual desires become spiritual needs from a more pure love and attempts to polish the virtues in his heart and refine them in the eyes of God, the soul moves into the Third Chamber.

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

Here, virtues bloom and the fruits of the Spirit ripen, but it is also the Chamber where souls are most severely tested by Satan.

This Chamber brings noticeable change – the progress that the heart has made in the first Two Chambers comes to light. The flame of love in the heart of the soul spills out into the world around him. The soul strives to conform to the Divine Will of God the Father.

The soul is given introspection as to his practice of every virtue in thought, word

THIRD CHAMBER OF THE UNITED HEARTS

and deed and puts all his effort into being perfected in the virtues. He prays for them, practices them diligently and fine tunes them with the help of grace. The virtues are deepened through an awareness of imperfections in the present moment. The soul's holiness is fine-tuned by testing the virtues over and over as gold in the Flame of Divine Love, for it is the test that strengthens or weakens virtue according to the soul's response.

ENCOURAGEMENTS

The simplest heart is the one whose main goal in life is to please God and others. Simplicity is the handrail along the staircase of virtues. Without simplicity, the other virtues collapse. Pray for this virtue.

The soul needs to use heroic virtue in this Chamber lest he slip into discouragement. He practices the virtues diligently, prays for them in his soul, and when God sees a worthy effort, He infuses the soul with these virtues.

As the soul's holiness is refined, the soul is prepared for the next (Fourth) Chamber.

CONTEMPLATIONS

Virtue is nothing but well-directed love and each virtue needs to come to perfection in order for the whole to be perfected.

Every virtue is fastened to Holy Humility – Holy Love. True Holy Love is loving God's Divine Will in the present moment. Neither of these virtues can be acquired through the intellect, but only in the heart. Both of these virtues require a lessening of self-love. The more the soul loses sight of self, the more God fills

THIRD CHAMBER OF THE UNITED HEARTS

the void. These two virtues work together in the heart to lead the soul into the Fourth Chamber. One cannot work apart from the other. Without them the other virtues do not enter the heart.

In every present moment the soul is given the grace to be heroic in virtue. All that stops him is his free will. He hesitates – considering the cost to himself. The soul can only advance in perfection of the virtue when he practices the virtue amidst trials – for it is in the test that the virtue comes to perfection."

"The soul must never consider himself perfect in any virtue. He should never think: 'I was patient yesterday so now I have perfected the virtue of patience' – for the next test may be even greater than the last. Each soul needs to ask for the grace upon arising to be virtuous throughout the day."

"Say upon arising:"

*"Dear Jesus, through the Immaculate Heart of Mary, open my heart to the grace I need to be perfected in virtue today in every present moment."
"Amen."*

The soul can move as deeply into Jesus' Heart as he desires. The more he strips himself of self love, the deeper he grows in virtue and into the Chambers of His Heart.

The soul conscientiously making the journey through the Chambers must pray to be given the gift of knowing his weaknesses – knowing when he is off-key. It is only in this self-knowledge the soul can advance and his spiritual health brought to perfection. It is in this cause for perfection the recipe for personal holiness is completed – the symphony of virtues melodious to God's Ears.

FOURTH CHAMBER

Sanctification /
Conformity
with the
Divine Will

FOURTH CHAMBER OF THE UNITED HEARTS

WHAT IS IT

The Fourth Chamber is the last Chamber necessary for entrance into Heaven. It is conformity to the Divine Will of the Heavenly Father and the Chamber of sanctification – the ultimate goal of every soul and of all spirituality. It is comprised of the living martyrs of love.

WHO CAN ENTER

The soul that seeks conformity with the Will of God enters this fourth Chamber after he has successfully surrendered his will to a virtuous life of Holy Love in the present moment.

HOW DO YOU ENTER

The soul is gently drawn into the Fourth Chamber as the depth of virtue increases in the soul and he begins to practice heroic virtue; that is, he is virtuous without regard to cost to himself. When you discover God's Will in your own heart, you will be in the Fourth Chamber.

The way to come into the Fourth Chamber of Jesus' Sacred Heart is to abandon yourselves to Him – accepting all things as from the Hand of God. If you see this as impossible, then ask for His assistance for it is He who calls you into His Father's Will.

In this holy abandonment you will have no worry, for all your concerns will be surrendered to Him and you will have no fear, for you will trust in His Provision. It is a difficult Chamber to enter as so much of the soul's own will must be surrendered.

FOURTH CHAMBER OF THE UNITED HEARTS

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

The soul in the Fourth Chamber is able to accept all things as from the Hand of God – that is, God's Will for him – and he is embraced by Love and embraces Love. He has been perfected in Holy Love and always trusts in Divine Providence. He no longer lives for himself, but Jesus lives through him. Love, trust, surrender and peace become deeper and more profound in his heart. He does not know fear.

The soul who resides in the Fourth Chamber desires to be in this Chamber more than anything else. He knows full well his littleness before God and makes a conscious effort to execute God's Will in every present moment. He does not question the why and the wherefore of moment-to-moment events in his life. He has no more wants, for his will is annihilated and one with the Divine Will. He is conformed to the Will of God the Father – it has become his nourishment in the present moment – few moments slip past without effort to become united with the Divine Will. When he experiences any trial, he returns it immediately to Jesus. Therefore, Jesus and the soul share each cross together.

The Fourth Chamber is like a cloak that protects you from ambiguity, confusion, anger and sadness. Beneath this cloak is Blessed Mother's Mantle of Love. What a sublime place to be – never dissatisfied, ambitious or fearful – wanting only what God offers you in each present moment.

ENCOURAGEMENTS

Do not be discouraged if your every effort is not worthy of this Fourth Chamber. Your whole life is a spiritual journey. Unlike the athlete, age is not your enemy.

FOURTH CHAMBER OF THE UNITED HEARTS

CONTEMPLATIONS

It is within the Fourth Chamber of Jesus' Heart that Jesus experiences His Passion and death as every Mass is celebrated. His greatest sorrow, the one that bitterly occupies the Fourth Chamber of His Heart, is the sacrileges and outrages that He suffers in His Real Presence in the tabernacles of the world.

No one enters the Kingdom of Heaven who is not conformed with the Divine Will of God – the Fourth Chamber. If this state of conforming is not attained here in the world, the Flame of Holy Love reaches into Purgatory and the Divine purification takes place there. So you see, everyone in Heaven, happily, has reached the Fourth Chamber of the United Hearts.

Each soul is invited to see that their home is in Heaven; that is also where their heart should be. The soul is at peace that lives this way. It is in this attachment to eternal bliss that the soul begins his conformity, and then union with the Divine Will of God.

Trust is so important to the soul who aspires to the Fourth Chamber. If the soul does not trust in God's Mercy, he leaves himself open to guilt. Guilt is the inability to forgive self or to believe that God can forgive sins of the past. Understand that God's Mercy is perfect, all-embracing and complete. He wants to forgive you. He does not condemn. It is the soul who chooses condemnation.

When you surrender it means you have a holy indifference as to the outcome of a situation. This is the nugget of Truth that allows you to live in conformity to the Divine Will. Surrender is always surrounded by trust. You trust that God has an infinite, eternal plan that will bring good from any turn of events. Therefore, you remain indifferent as to the outcome, knowing God, Who is Love, will engineer the best outcome. Read Romans 8:28

FIFTH CHAMBER

Union
with the
Divine Will

FIFTH CHAMBER OF THE UNITED HEARTS

WHAT IS IT

The Fifth Chamber is the smallest, most elite and intimate Chamber of Jesus' Divine Heart comprised of the most humble and loving souls. It is the Kingdom of the Divine Will within the soul's own heart – an inner sanctum secretly hidden within the Fourth Chamber. In the Fifth Chamber is but one Will. The human will becomes one – united with the Divine.

WHO CAN ENTER

This Chamber is reserved for the souls who are resigned to accept everything as from His Hand and needs to be discovered by the soul as he dwells within the Fourth Chamber. The soul will not discover the Kingdom of God within, until he first discovers his own faults and failings.

HOW DO YOU ENTER

When the Will of God the Father consumes the soul's heart, the soul partakes and shares the Kingdom of His Will. The soul needs to be deep into trust of Divine Provision – this trust is built on love, humility and perseverance in order to love God's Will. When you pray, ask Jesus for the grace of loving His Divine Will.

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

The soul's will is completely annihilated and the Divine Will of God the Father reigns supreme and only exists to accomplish the Father's Will. The soul loses itself (evaporates) and becomes one with God the Father. Every virtue in the soul has been fine-tuned and he is consumed with the desire to love God and please God.

These soul's live in union with God's Will – God lives in them and they in Him.

FIFTH CHAMBER OF THE UNITED HEARTS

The soul never thinks of self and does not wish to be found or noticed. His only pleasure is in being there. He is in the present moment always.

The atmosphere is like this: Every moment is like the first step into paradise. Every moment is like being reunited with loving memories – loving souls who await on the other side of the veil between life and death. Every moment in this Chamber radiates love, joy and peace to the souls who enter herein.

The soul, consumed with a depth of love and humility, accepts everything as from the Hands of God and knows everything is a grace and all things turn to the good of his salvation. The soul is thus able to focus only on the Will of God amidst the greatest trials, and never upon himself. He is just as able to celebrate the cross as the victory. He allows the Flame of Divine Love to devour any semblance of selfishness.

The soul does not struggle against God's Will, but accepts what comes, waiting to see what good will come from each situation. He does not fear humiliation or being unjustly accused. He does not take others to task for their errors, but constantly searches his own heart for his own errors. He receives and responds to correction with a gentle, loving heart. He does not pout nor lay blame or flare up at others. He is approachable – always being open to questions and suggestions. He freely shares his time and space; in fact, is openly generous in all ways. He considers all others holier than he himself. There is no self-righteousness in his heart. He does not presume to know more or to have a better opinion than others. He states his opinion and lets go of it. He has a good sense of where he stands before God, not congratulating himself on graces or gifts received, but always seeking a deeper conversion of heart. He knows no fear, anger or unforgiveness. He has no enemy. He only has knowledge of souls who oppose God's Will and need prayer.

FIFTH CHAMBER OF THE UNITED HEARTS

ENCOURAGEMENTS

There is a place in the Fifth Chamber for each soul. As you grow more and more united to the Divine Will, the flame of conformity in your own heart will grow bigger and brighter until at last you need no effort at all – there is union! Do not be discouraged if you find yourself slipping backwards from one Chamber to another, for in the next moment you could advance rapidly into the Fifth Chamber.

Let nothing stand between you and Jesus – not affairs in the world, worry for the future or any flaw in virtue. Allow the Fifth Chamber to consume your heart, and your heart to embrace the Fifth Chamber – union with Divine Will. The soul that strives after this yields a blow to Satan that he cannot recover from.

CONTEMPLATIONS

Through the Eucharist, the Will of God is present in the world – completely, perfectly and eternally. Then, understand that the Fifth Chamber – union with the Divine Will – is offered to each one who partakes of the Holy Eucharist.

When the soul reaches the Fifth Chamber, he becomes the Divine Will himself and God the Father establishes His Kingdom within the heart – it is like food which is assimilated and disappears. It becomes part of the body.

The souls who do discover God's Kingdom within them are already in the New Jerusalem. If you can imagine the joy with which Jesus mounted His Throne when He ascended into Heaven, you can taste then the flavor of the Fifth Chamber.

Everyone is given the grace to reach the Fifth Chamber, but few there are who abide there. This is because they do not respond to the small graces along the way. They await a colossal grace that may never come.

SIXTH CHAMBER

Immersion

in the

Divine Will

SIXTH CHAMBER OF THE UNITED HEARTS

WHAT IS IT

The Sixth Chamber of the United Hearts is complete immersion in God's Divine Will. It is the Heart of the Eternal Father and is the highest Heaven, which is more of an experience – not a concept or a place. The human will and God's Divine Will are, so to speak, mixed together and can no longer be distinguished from the other. It is the enthronement of the Father's Heart within the human heart and is the embrace of the Heart of God – the Divine Will lives within the heart of the soul. The saints in the Sixth Chamber earned this coveted place while on earth and it is such a jewel of a Chamber that not even every saint is admitted to its sanctuary.

WHO CAN ENTER

It is open to all people and all nations, but in this life, it is reserved for those who have already reached sanctity. In eternal life, the saints and martyrs of love who reached the Fifth Chamber move into the highest Heaven. Since God the Father's Heart embraces all the Chambers of the United Hearts, realize He calls each soul to be immersed in this highest Heaven. For to him who has faith, all things are possible.

HOW DO YOU ENTER

To reach it, you must pass through all the other Chambers of the United Hearts – for the Sixth Chamber is the highest Heaven and clothes all the other Chambers. The soul can only enter through the surrender of his own will which means no unforgiveness, jealousy, anger, or selfishness whatsoever; the soul must be completely devoted to obedience to God's Commandments. It is how deeply the soul immerses his heart and becomes one with the Divine Will while on earth, that determines admission. Complete immersion in God's Divine Will can only be achieved through acceptance of God's Deciding Will in the present

moment. That is to say, the soul accepts whatever happens in the present moment as God's decision – this surrender takes more than trust – it takes deep humility. Such a soul has made heroic efforts to please God and has believed in His Eternal Grace and cherished every present moment – this is purity of heart – single-heartedness. The soul must strive for a detached relationship from the world and his intellect has to carry the intent of a deep relationship with God as a goal. Such a soul has made his peace with the temptations on his life and conquered them. It is not God who chooses whom will share such unity with Him, it is the soul himself who must decide. If you will to go deep, deep into these Sacred Chambers – even to the Sixth Chamber – it will open to you.

HOW IS IT EXPERIENCED / WHAT HAPPENS INSIDE

Inside the Sixth Chamber, the soul feels an uncreased embrace of the Father's Heart, is consumed with the Divine Will, and exists only in God. The soul is always at peace accepting whatever happens in the present moment as God's decision and does not succumb to any bad fruit spawned from lack of trust.

ENCOURAGEMENTS

The Divine Will is always pulling the soul into the Sixth Chamber and God the Father does not want humanity to deem this final destination as unattainable – it is **ATTAINABLE!** Each soul has the way and the wherewithal to be transported into the Sixth Chamber right now, in this present moment. It is true! Pray for the spiritual strength to do so.

Jesus calls each soul back to the truth and to the reality of their existence in time, not to make the most of this life, but to make the most of the next by earning the highest of Heavens – immersion in God the Father's Divine Will. This is the reality – the truth – each soul must focus on. All else is passing.

SIXTH CHAMBER OF THE UNITED HEARTS

The Father's goal is to draw all souls into the Highest Heaven – the Sixth Chamber. In this Chamber is God's Promise – a New Covenant of Love.

The Light of the Sixth Chamber reaches down to earth from the highest Heaven and shines through every Chamber of the United Hearts, drawing sinners into Holy Love – the Immaculate Heart of Mary.

The Light of the Sixth Chamber will bring man's free will into harmony with the Divine Will at the coming Triumph of the United Hearts.

The Heart of God comes alive in the soul. The soul then becomes a living tabernacle of the Divine Will – as St. Paul said, *"It is no longer I who live, but Christ who lives through me."*

CONTEMPLATIONS

Jesus said in scripture: *"No one can come to Me unless the Father draws them"*. This highlights that the Will of God cradles all the other Chambers and pulls the soul into the First Chamber. Therefore, we can say that the essence of the Sixth Chamber – the Divine Will – is ever present.

It is only through the Light of the Heart of God the Father in Heaven – His Divine Will – the United Hearts and the Chambers herein exist. At its source – the Heart of the Eternal Father – lies the Sixth Chamber.

Every journey has a point of departure and a destination – the spiritual journey is no different. It begins when the soul decides to depart from his old ways and pursue personal holiness, with the destination being the Sixth Chamber – immersion in the Will of God.

Remember, free will is a gift from God. Spend it wisely.
